## \* NEWSLETTER OF OCTOBER-NOVEMBER 2011 \*

Dear friend in Christ: I trust this finds you doing well by God's grace. Here is the latest news on the following:

### Pray for The Bible Institute in Port-au-Prince:

**STREET SIGN OF OUR BIBLE  
NEAR AIRPORT ROAD, HAITI**

We are currently in final exam for first year students in our Port-au-Prince Bible Institute. We have four students moving into second year of theology. Next school year we will also teach basics in construction and cabinetmaking to help our future pastors in the ministry. Our Port-au-Prince students are working hard and doing an excellent job in church planting in a town not far from the border with the Dominican Republic. One of them Reginald speaks English fluently and attend a College where he is majoring in Ethnology. This is the branch of Anthropology that deals with races and peoples, their relations to one another. We will ordain all of our four students to the gospel ministry following our Bible Institute's first graduation ceremony in three years.

Pastor Thès of Pernier is the academic dean and is also teaching Evangelism Outreach – Christian Leadership. As the President of the school I teach New Testament Survey – Old Testament survey – Dealing with demonology. We also have two other teachers. Please pray for God to open doors for us to find means of salaries for all our teachers. Many of our students come to school most of the time without eating breakfast and attend classes from 8:00 am till 2:00 pm. It is hard, I do not want to deter them from their sacrifice for the cause of Christ but at the same time I feel that I need to do something out of Christian love and generosity. Please pray for God to open doors for us to find financial support to serve a small lunch to our students. School is only three days a week.

**PORT-AU-PRINCE STUDENTS DURING TEST**

Rachel Allen our short-term young missionary helper from Victory Baptist Church, Ohio has been teaching English in the Bible school and is doing an excellent job. We will all miss Rachel when her term expires next year Lord willing.

**FINAL NOTE:** Thank you for your partnership. You are always in our prayers. Remember to visit [www.wbfi.net](http://www.wbfi.net) for our most recent newsletters and go to: [www.nplhome.org](http://www.nplhome.org) for updates regarding the orphanage. We will inform you once we are back updating [www.jesussaveshaiti.org](http://www.jesussaveshaiti.org) God bless you.....In His service forever!
