

Dear Pastors and Friends,

April 29, 2011

This first quarter of the year has been one full of activities and blessings from our Lord. We would like to express our sincere gratitude for your faithful prayer and financial support. We would like to share some of the blessings with you.

In the months of February and March six people accepted the Lord as their Saviour.

- 1) Vagner - owner of one of the bakeries in our town; his wife Bernadette was saved in November 2010.
- 2) Paloma – a young mother who had visited our church many times accepted Christ with my wife Darla during a visit. Pray for the salvation of her husband Naum.
- 3) Charles and Angelica – Angelica works for Vagner and Bernadette at their bakery and was greatly influenced through their testimony.
- 4) Paulo – a 67 year old man with cancer. His daughter Eliene is a member at the church in Arembepe.
- 5) Stefan – Our five year old accepted the Lord in February. Praise God for this great answer to prayer!!! Please pray for the spiritual growth and testimony of all of these new converts.

The end of the month of March we had the opportunity to visit our national missionary Guaraci with four other families from the church in Arembepe. It was a great time of visits, evangelism, Bible clubs and church services. We praise the Lord for the four ladies who accepted the Lord as their Saviour. Please continue to pray for Guaraci and his family as they disciple these and other new converts and do Bible studies with unsaved teens and adults.

The first weekend of April the First Baptist Church in Arembepe celebrated its seventeenth anniversary. Twenty first visitors were present. Each of these visitors was visited the following week with one man, André accepting the Lord as His Saviour. Please pray for him and his wife Genilza, she was backslidden, that they will grow in the things of the Lord. Please pray also for five teenagers who visited that weekend, whose parents are leaders in the Catholic Church, Arabella, Jamerson, Edilson, Leonardo, Sabrina.

The second week of April I had the privilege to preach a missions conference for missionary Alton Smith at his church in a neighboring town. God blessed and they were led to double their Faith promise offering. Praise the Lord for His goodness and power.

In the month of March a lady from the church in Arembepe felt led of the Lord to begin a Bible club ministry. Each Saturday she holds a Bible club in a different part of Arembepe with four other ladies of the church helping with the choruses, games and Bible lessons. God has truly blessed this ministry, in two months fifty five children have accepted the Lord as their Saviour!!! Fourteen of these children are already faithful in attending our Sunday school on a weekly basis. These ladies also visit each child who has attended the Bible club and present the gospel to those who had not accepted the Lord during the Bible Club. Nine other children have been saved on these follow up visits. We praise the Lord for His goodness, power and saving grace! Please pray that God will continue to bless and lead this ministry.

We praise the Lord for all He has done these first four months of the year because we know that if anything has been done He has done it. We give Him all the honor and praise for the work He has done here in Northeast Brazil. We also would like to express our sincere gratitude for your faithful prayer and financial support. We remain...

Yours in the white fields,

Frank, Darla, Campbell, Caitlinn, Sofia and Stefan Brim
