

The Browns in New Zealand

April 2011

Hello from way Down Under,

As most of you are anticipating warmer springtime temperatures, we are rapidly cooling off heading into Autumn. We have had a good first quarter in 2011. Allow us to share some of the news and blessings.

This was the third year running for our annual Ministry Retreat. It has been a hugely successful tool to further our efforts in the area of leadership training. This year we had 25 believers come together for a Friday night and Saturday focus on church ministry. Our Bible teaching ministry in particular has been going from strength to strength. More and more believers in the work are showing an interest in learning the Bible so they can teach others. Our biggest need in the area of leadership continues to be a national pastor to take over the work. Please pray with us for this crucial need.

Janet is teaching a ladies Bible Study on Tuesday evenings and Saturday mornings. God is using this study time to mature our ladies. There are around 20 ladies attending one or the other Bible Study. A new lady, Allison, has started coming along to the Bible Studies and has recently attended a Sunday morning service. We are praying for God's will to be done in her life.

Two young ladies have recently trusted Christ as their personal Savior. We are rejoicing in the salvation of Beth, a Kiwi and Van Le Ha from Vietnam. We will begin discipling them immediately. Pray with us that they will both grow in their faith and become committed followers of Jesus Christ.

By HIS grace & for HIS glory,

The Browns
