Serving In
The Dominican Republic*

November 2011

Dear Friends and Family,

Every year during the month of November, we take time to count our blessings and name those things that give us reason to be thankful. We are grateful to God for many things, but this year – we give Him thanks for family, friends and a future in His service.

First, we are thankful for our family. Our children have been a gift from God and we are thankful that each one of them have a personal relationship with Christ, are healthy, and seek His will for their lives. We are thankful for our parents, siblings, and other family members who have been an encouragement and faithful supporters.

We are grateful for God allowing our paths to cross with so many that welcomed us with open arms, opened their homes, and made us feel like family. We enjoy emails and notes from so many new friends and are thankful for the opportunities to spend time with old friends that are serving God in their own churches and communities.

Finally, we are thankful and excited about the future. There is Scripture for every season of life and for now, we call **I Tim.1:12** our life verses. ***“And I thank Christ Jesus our Lord, who hath enabled me, for that he counted me faithful, putting me into the ministry”*** We are humbled and grateful that God would allow us to minister in the Dominican Republic. We are thankful that you are partnering with us and trust us to represent you there.

We have shared with many of you about the women’s ministry in the DR and the hundreds of women and children that are in “at risk” situations. Recently, we received word that one of these women who had been rescued from an at risk lifestyle was killed over 300 Dominican pesos (that would be about \$8.00 U.S.). Please continue to pray with us for these women, their children, and those that are ministering to them.

We pray that as you count your blessings, you will see what great things God has done for and through you this year. May He continue to bless you in a special way and abundantly beyond what you can imagine!

Serving Him,
