Merry Christmas Pastors and Prayer Warriors,

December 2011

We believe that it is a time of year in which you can easily witness, all the time. I have been wearing a Holly Trimmed "Jesus is the Reason for the Season" Sweat Shirt almost everywhere we go since Thanksgiving Day. Many stop to say, I appreciate the message! It is a great opportunity to assure them of a returning Lord and how important that relationship with Him is throughout life.

We Praise the Lord for the lives that we get to touch around this time of year. We are blessed to be close to Tony's Family in Denver and other loved ones at our home church from time to time for the rest of this month. We will be praying for the Christmas Devotion: as Tony has been doing this for his family since his commission. It is remarkable what the Lord has done with this family and we wish that this Christmas would be stronger and more spiritual than ever. Remember the loss of Tony's Father this last May and the struggles the family has dealt with as a result. We pray the warmth of the Spirit of Christ will engulf every event and give the peace, understanding and grace in hearts where needed for a wonderful memorable time for all.

We are excited to be filling our schedule for the next year. We ask that you continue to pray for us and all those on Deputation for the right appointments and relationships needed to go to the field. We have aspired to be on the field this next year and have been accomplishing everything required to reach that goal. Our needs this Christmas are simple: We need prayer as God reveals His work in us. We know that He has provided everything we need to be working in Africa. We know that some things are meant to be right on time and do not expect everything to be revealed right now. Our prayer: We follow Him as closely as possible while allowing us to see His Grace and Mercy work in us here. We are thankful you can Praise God with us about his work along the way.
