Dear Praying Friends,

Hello! We hope all is well in your lives and ministries. Our family is doing well and God is moving in our church. I must thank my Lord and Savior Jesus Christ for all that he has meant to Joy and me over the last few years. You all have been great. We thank the Lord for you all as well. Since our last prayer letter, God has been moving in our church. Before I get into that, let me update you in the family.

Joy is busy with Ben and Josh and especially our 1 year old princess Isabelle. She is doing well. Isabelle just turned 1 and is doing well. We had 2 scary episodes with Isabelle causing her to be hospitalized. We are not sure why this happened, but currently she is doing fantastic. Ben and Josh are busy at school and sports. They are both doing very well and growing so fast.

What can I say about the church except “WOW” and “Praise God!” Our church has had to relocate several times and has caused us to see several families leave. However, we have seen God bring several new families during the last few months. The spirit of the church is fantastic and we are seeing more and more people saved, baptized, and join. The spirit of the church is the best I can ever remember it being. Pray that God keeps moving. We have focused more on praying, inviting, giving, and serving and the folks have responded in amazing ways. We are having the time of our lives.

We had a fall festival just over a month ago. We had fifty children come out! The members of our church put on 26 different carnival stations and we had 30 adults work the booths. I was more amazed by the participation of the members than the fifty children that came out. The church people are taking ownership of their church. This is fun.

Our greatest requests for the church are: 1- The church grows to a place it can sustain itself; 2- Our family is safe from Satan’s attacks. It seems as though every time that the church gets rolling our family experiences immense obstacles and challenges. Isabelle had been doing great. Joy and don’t know if it is coincidence or not, but it seems as though when God starts moving in a great way something significant happens in our family. Pray!

God Bless,
Brian and Joy Densmore
