APRIL, 2011

Dear coworkers in Christ,

We greet you in the Wonderful Name of Jesus Christ.

The first three months of this year have been extremely busy. Our last letter arrived to you in January and this one should arrive sometime in May, the Lord willing. January was filled with preparations and the first leg of our preaching trip to the Zambezia Province. We visited nine churches on this first part of the trip. Due to sickness of team members and the breakdown of the truck, we had to return to Dondo and take up the trip again after a few weeks. In the second leg of the trip, we visited another ten churches and were able to finish up the visits to the churches in Zambezia and Sofala Provinces. In all, we saw more than 230 salvation decisions for Christ. We pray that these were truly decisions of faith by each person, the Lord knows. The local congregations are following up on those who trusted Christ and everywhere we passed people are being prepared for baptism.

In the Dondo church we spent a lot of time with a group of candidates and on April 17, we **baptized 11** people in a river near the town. It was a great blessing and victory for the church and for those who followed our Lord in baptism. We have groups in both the mission works that want to be baptized also, so we will be giving that attention in May and June. We have a new congregation that we are working with in the town of Chimoio, up towards the Zimbabwean border. The pastor traveled with us during a recent trip to the Gorongosa district.

The building project for the **Bible Institute** property is still waiting on the site license. We have received a couple of large offerings for the project and the total that has come in is around \$8,700. We still need a great deal of help if we are to get the first phase done in time for classes next year. We are going ahead with plans for classes this Fall for a group of 12 men. We may have to use rented facilities for this first session but we do have options for that. These men will be the first trained in the Institute program since we arrived last year.

**Please pray for us.** By the time you receive this letter we will be deep into preparing groups to be baptized and planning for several national events over the next three months. Pray for souls to be saved and believers to be encouraged. Please pray for our health; we have had several episodes of respiratory problems in the last 2 months. Pray for us and the work. We know that the battle is the Lord's and that He will bring it to pass! Praise Him! God bless you for your faithfulness to pray for and support the work in Africa.

We are your servants, the Harts to the Hearts of Africa,

*Alan & Kathy Hart*
