

# Merry Christmas from Bill and Mary Horton serving Christ in N. Brazil

Dear Fellow laborers,

December 2011

Mary and I are grateful for your faithful prayer and financial support. It is with joy that we report the salvation of souls and Christian growth in the churches of this part of Northern Brazil. Two ladies were saved in the Sunday evening service of November 20 and two young people were saved while on visitation last week. Please pray for the salvation of Mr. Shirley da Silva Lima. In our last pastors fellowship two weeks ago, the pastors gave testimony of twelve souls being saved in and through their local church ministries.

The Bible Club ministry that Mary began about a decade ago is a great blessing in the churches. In the Bible Club ministry of the First Baptist Church of Pau D'Arco six children were saved during the last three weeks and in the Bible Club ministry of the Independent Baptist Church of Benevides one girl of eleven years old was saved. Our missionaries have also reported of people being saved and baptized. One of our mission churches has also sent missionaries into the field.

The Bible Baptist Institute of the North just finished another semester with three graduating. Please pray that God will continue to bless this important ministry of training those God has called into the ministry of preaching and teaching His Word. Our next semester will begin on February the 6<sup>th</sup> and we are praying that God will call many others to proclaim His Word.

We ask your prayers also for our family Retreat during the last week of carnival in February, a time of tremendous carnal depravity promoted by the Catholic church and the civil government. Our theme this coming retreat is "Reconstructing The Fundamentals." Some of our churches here are on fire for the Lord and some others are in need of revival. Please do pray.

Our prayers for you are that God will continue to bless in and through your local church. We also pray that each one of you and your family will enjoy a wonderful and blessed Christmas season and new year.

Love and Prayers,

*Bill and Mary*
