Dear Pastor and Christian Friends,

We want to thank you for being faithful to this part of our Ministry. We are getting Bibles to our Missionaries in different countries and even have helped some of our Pastors get Bibles for their Spanish speaking people that they have won to the Lord here in the States.

Bro. Bowen has several groups of Spanish works and we have been able to supply him with Bibles for these missions. One pastor called me this week to ask what kind of Bible he should get for some people that are attending a class he is starting for Spanish people in his area.

We were able to help Lynn Cunningham with 125 Bibles she will be taking to the Dominican Republic for her classes when they arrive in that country. Bro. Patton is receiving Bibles in that country for his works that he and Flor have started.

Please continue to pray for this Ministry and the BIBLES that are getting into the hands of the ones that have trusted Christ as Saviour.
