Faithful Supporters:

Oct.-Nov. 2011

Death has come our way these last months. As we prepare to celebrate the birth of our LORD on this earth for His substitutionary death for us, we thank Him that we have the assurance that Manuel was ushered into His presence when he died in Oct. You helped make this possible. Unfortunately, his brother José was stabbed 6 times and died a couple of weeks ago. We do not know if he accepted Christ as his personal savior. We do not know what Manuel told him, or if he read any of the materials we gave him.

Drug cartels are still present here. Although we have not heard of any direct activity in this area, we have seen them. I was coming back from Pamachi, when I rounded a curve and saw a truck with three men exiting it. I sped up and passed by quickly before they were able to establish a position, and left a huge cloud of dust so that they would not be able to see me. A few days later, Marcia was alone at the house and spotted a vehicle full of armed men with designer sunglasses sitting outside the house.

Despite illness, The Lord allowed me to fill the mission pulpit here in Creel. I had a virus (which developed into double pneumonia) and could barely speak. With the aid of the youth, and a handout, The Lord blessed. Marcia played the piano for us.

Depending on our LORD for our continued protection, and needs, we also desire a Merry Christmas and Happy New Year for you.

Thank you and God Bless,
Sharing Our Saviour,

Robert and Marcia Steffens
